SUGGESTED QUESTIONS:

- So many people struggle with debt, including student loans, what is the best way to tackle debt?
- For those who want to start investing but don't know where to start, what is the best investment you ever made?
- If somebody listening right now is thinking, "my finances are a mess, where do I even start?" what would you say to them?

Motivated by her own challenging childhood in Detroit, Dr. Bishop's unique gift lies in her ability to motivate individuals to transcend limiting beliefs about wealth and cultivate a positive financial mindset. She firmly believes that empowering individuals with financial knowledge is pivotal in creating prosperous and resilient communities.

With her down-to-earth and engaging approach to money matters, Dr. Bishop's guidance on saving and budgeting has been transformative for countless individuals and families. Her practical advice has empowered them to take charge of their financial well-being, granting them the freedom to live life on their own terms.

Outside of her work as a speaker and financial coach, Dr. Bishop is also a Professor of Health Policy at George Washington University, a director at AmeriHealth Caritas DC, and manages a portfolio of family-owned rental properties.
